

Report:	r01
Assignment	<p>Send a note to me, trturner@uco.edu, having three attachments.</p> <ol style="list-style-type: none"> 1. Attach a written summary of two (2) papers you found in the Computing Science digital libraries. One of the papers must be found in the ACM (Association for Computing Machinery) electronic database and the other paper must be found in the IEEE (Institute of Electrical and Electronics Engineers) Computer Society electronic database. 2. Attach a copy of the paper from the ACM electronic database. 3. Attach a copy of the paper from the IEEE electronic database.
Summary Specifications	<p>The summary must be organized as follows:</p> <ol style="list-style-type: none"> 1. Complete the cover page template found. Change the name of the file containing the completed template to the name of the summary as specified below. The cover page is the first page of your summary. 2. On a new page, write a summary of the ACM paper. Include a bibliographic reference to the ACM paper. 3. On a new page, write a summary of the IEEE paper. Include a bibliographic reference to the IEEE paper.
Cover Page Instructions	<ol style="list-style-type: none"> 1. Change the name in the given in the header from Ms. Petunia Perfect to your name. 2. In the Author Identification Block <ol style="list-style-type: none"> 2.1. Author: Type your name in the right column of the row labeled Author:. Also, change the name in the header, Ms. Petunia Perfect, to your name. 2.2. Student ID: Type your Student Identification number in the right column of the row labeled Student ID:. 2.3. E-Mail: Type your e-mail address in the right column of the row labeled E-Mail:. 2.4. Course: Enter the course number and title of this course, CMSC 2613 – Programming II, in the right column of the row labeled Course:. 2.5. CRN: Type the CRN, semester, and year of the course in which you are enrolled in the right column of the row labeled CRN:. For example if you are enrolled in CRN 21641 in the spring of 2011, enter 21641, Spring, 2011. 2.6. Report: Enter the report identification, r01 in the right column of the row labeled Report:. 2.7. Due: Type the date that this report is due in the right column of the row labeled Due:. For example, if this report is due on February 23, 2011, type February 23, 2011 in the right column of the row labeled Due:.
Naming Specifications	<ol style="list-style-type: none"> 1. The subject of the note should be your CRN, last-name, first-name, r01. For example if your name is Alan Turing and you are enrolled in CRN 00000, the subject line should be 00000-Turing-Alan-r01. 2. The name of your summary should be should be your CRN, last-name, first-name, r01.docx. For example if your name is Alan Turing and you are enrolled in CRN 00000, the name of your summary should be 00000-Turing-Alan-r01.docx. 3. You must select an ACM paper that is compatible with Adobe Acrobat Reader © and has a file suffix .pdf. Rename the file to 00000-Turing-Alan-ACM.pdf. 4. You must select an IEEE paper that is compatible with Adobe Acrobat Reader © and has a file suffix .pdf. Rename the file to 00000-Turing-Alan-IEEE.pdf.
Library Instructions:	<ol style="list-style-type: none"> 1. Go to http://library.uco.edu/ 2. Click “Search Databases” 3. Click “ACM – Assoc. for Computing Machinery” or Click “IEEE Computer Society” 4. Enter a search topic. The topic can be any subject related to computing. You must enter two (2) topics. Enter one topic for the ACM database and another topic for the IEEE Computer Society database.
