

**Author Identification Block**

**Author:** Edsger Dijkstra  
**Student ID:** \*00000000  
**E-Mail:** [edijkstra@uco.edu](mailto:edijkstra@uco.edu)  
**CRN** 11137, Autumn, 2021  
**Course:** CMSC 5023 – Programming Languages  
**Project:** p04.2  
**Due:** October 6, 2021  
**Project Account Number:** tt000

Scoring Block			
Component	Available	Earned	Explanation
Academic Honesty			A zero (0) is recorded for the entire project if any source has been copied.
Compilation			A zero (0) is recorded for the entire project if the project fails to compile without errors or warnings.
Submission Instructions	3	3	<ul style="list-style-type: none"> <li>• A zero (0) is recorded for this component if the project is not stored in folder <code>~tt/ttxxx/p04.2</code> where <code>ttxxx</code> is the departmental computer account assigned to you in this course.</li> <li>• A zero (0) is recorded for this component if the project script file <code>mkpasm</code> fails to function correctly.</li> </ul>
Author Identification	2	2	A zero (0) is recorded for this component if any source file including the makefile, <code>makepasm</code> , does not have a complete author identification block for both team members.
Command Line	5	5	A zero (0) is recorded for this component if command line arguments are not processed according to project specifications.
Output file	10	10	A zero (0) is recorded for this component if the output file is not created or not named according to project specifications.
Execution	30	30	A zero (0) may be recorded for this component if several rules are not recognized.
<b>Total</b>	<b>50</b>	<b>50</b>	

Instructions:

Store all source files, file `makepasm`, and file `mkpasm` in your folder `~tt/ttxxx/p04.2` where `ttxxx` is the departmental computer account assigned to you in this class.
