

**Team Identification Block**

<b>Author 1:</b>	Edsger Dijkstra
<b>Student ID:</b>	*00000000
<b>E-Mail:</b>	<a href="mailto:edijkstra@uco.edu">edijkstra@uco.edu</a>
<b>CRN</b>	11137, Autumn, 2021
<b>Author 2:</b>	Alan Turing
<b>Student ID:</b>	*00000001
<b>E-Mail:</b>	<a href="mailto:aturing@uco.edu">aturing@uco.edu</a>
<b>CRN:</b>	17013, Autumn, 2021
<b>Course:</b>	CMSC 5023 – Programming Languages
<b>Project:</b>	p04.2
<b>Due:</b>	October 6, 2021
<b>Project Account Number:</b>	tt000

Scoring Block			
Component	Available	Earned	Explanation
Academic Honesty			A zero (0) is recorded for the entire project if any source has been copied.
Compilation			A zero (0) is recorded for the entire project if the project fails to compile without errors or warnings.
Submission Instructions	3	3	<ul style="list-style-type: none"> <li>A zero (0) is recorded for this component if the project is not stored in folder <code>~tt/ttxxx/p04.2</code> where <i>ttxxx</i> is the departmental computer account assigned to you in this course.</li> <li>A zero (0) is recorded for this component if the project script file <i>mkpasm</i> fails to function correctly.</li> </ul>
Author Identification	2	2	A zero (0) is recorded for this component if any source file including the makefile, <i>makepasm</i> , does not have a complete author identification block for both team members.
Command Line	5	5	A zero (0) is recorded for this component if command line arguments are not processed according to project specifications.
Output file	10	10	A zero (0) is recorded for this component if the output file is not created or not named according to project specifications.
Execution	30	30	A zero (0) may be recorded for this component if several rules are not recognized.
<b>Total</b>	<b>50</b>	<b>50</b>	

Instructions:

Store all source files, file *makepasm*, and file *mkpasm* in your folder `~tt/ttxxx/p04.2` where *ttxxx* is the departmental computer account assigned to you in this class.
